

ATTENTION 4-H SHOOTING SPORTS CLUBS

August is National Shooting Sports Month®, an annual campaign promoted by the National Shooting Sports Foundation® (NSSF), who is one of our 4-H Shooting Sports sponsors. National Shooting Sports Month celebrates the passion we all have for target shooting and a pastime that provides a lifetime of enjoyment that can be shared with families and friends. At the same time, it reminds the public that shooting is a safe, fun activity enjoyed by millions of Americans.
